<b>FISCAL YEAR FINANCIAL UPDATE</b>	
<b>July 1, 2006 – April 30, 2007</b>	
<b>Donations</b>	<b>\$ 68,482.60</b>
<b>Expenses</b>	<b>71,970.58</b>
<b>Shortfall</b>	<b>(- 3,487.98)</b>

Dear Friends and Supporters,

This is our last month of the current fiscal year. Please note the "Financial Update" in the upper right hand corner of our letter. I haven't received the current figures for May yet, but as you can see, it's now possible for the ministry to finish the year in the black. I pray you can do something financially this month to help.

As we said last month, big sacrifices have been made and now it's up to God and our benefactors to see that this ministry survives. New girls and ministry opportunities are happening all the time. Another girl came into the Home last Saturday. Some come for just a few days and circumstances lead them away, while others stay for four to five months.

Here are our biggest needs at present:

1. Pray for His provision financially; current need is \$6,500.00 monthly
2. The house needs paint in places; it was painted three years ago, but in places, it is peeling badly.
3. We need one or two additional 'substitute houseparents'; paid position \$50.00 daily

Linda Dodge remains on financial leave and it is our intent to bring her back on staff as soon as money permits.

I've included one other way you could help the Home if you are buying a new home or refinancing your current home. Consider Wells Fargo as shown on the enclosed brochure and the Home receives a \$300.00 gift.

Thank You for your prayers and your gifts.

Tom Obey, Director
